

# *Kelowna Sleep Clinic*

*Dr. Ronald Cridland Inc*

## **Directions to Kelowna Sleep Clinic**

We are located at **2040 Springfield Road, Suite 205, on the corner of Springfield and Barlee Road**. Parking is available in front of the building, along side of the building, and on Barlee Road.

**Directions from the Okanagan Lake Bridge, the south end of Kelowna and West Kelowna:** Follow Harvey Avenue (also known as Hwy 97) north (actually east at this point). Drive two blocks past the stoplight at Spall Rd. and turn right onto Barlee Rd. at “Sleep Country”. Continue to the end of Barlee Road. We are on the left in the tall concrete “Invue” building. (See the map above)

**Directions from the north end of Kelowna and Vernon:** Follow Harvey Avenue (also known as Hwy 97) south, just past Orchard Park Mall and turn left onto Cooper Road. At the second traffic light, turn right onto Springfield Road. Travel one block and turn right onto Barlee Road. We are the first driveway on the right.

**Arriving at the Kelowna Sleep Clinic:** Please enter through the main entry, large double glass doors, proceed to the elevator to the second floor. When you exit the elevator turn right. Suite 205 is at the end of the hall.

**For those arriving in the evening for sleep study appointments:** At night the front entry is locked. Please type in “205” into the intercom. The night tech will answer your call and “buzz” you in. When you arrive at Suite 205, ring the door bell. The Tech will come and unlock the door to let you in.
